CULTIVATING THE ARTS IN THE RIVERTOWNS

Welcome to the 9th annual RiverArts Music Tour. This free music festival has evolved over the years to include over 300 musicians across 30+ venues in Hastings on Hudson, Dobbs Ferry, Irvington, and Tarrytown. The Music Tour is the largest family-friendly live music event in lower Westchester County and truly offers something for everyone – from classical and jazz to folk, rock, alternative, urban and world music.

Please join us Saturday, June 1st on the Tour!

*raindate is Sunday, June 2nd.

ABOUT RIVERARTS

RiverArts inspires Hudson River communities in lower Westchester County to come together through art. We strive to connect artists with audiences through exhibition, performance, conversation, and education. Celebrating and cultivating the arts in the Rivertowns for 60 years, we believe in the power of art to express, transform, and bring joy to our lives and our community.

Our signature programs include large, multi-village events like our Music Tour and Studio Tour, both free to the public. RiverArts offers a dynamic education program for students of music, art and dance with world-class professional instructors at affordable prices. We host numerous conversations, concerts, and gatherings that invite audiences to engage directly with award-winning artists, writers, dancers, directors, and musicians. Importantly, we strive to make the arts a vital and accessible part of everyday life in the Rivertowns.
